Take I-94 west to Marshall, Michigan where you will get on I-69 south (exit 108). Continue south until you reach the Indiana Toll Road (just over the Indiana State Line). Get on the toll road heading west.

Just west of South Bend, take the exit for US 31/US 20 bypass. It should also be the exit for the Michiana Regional Airport. Stay on US 31 past Plymouth until you reach State Road 10.

Turn right on State Road 10. There is a McDonalds on the left side and a flashing yellow light. There also is a small green sign for The Culver Academies.

Follow State Road 10 for approximately 10 miles. The Academies will be on the left side.

Turn left onto Academy Road, the first road past The Academies. Follow it through the curve to the right. Turn left in to the first drive on your left (it will be right after the auditorium building). Follow that drive to the parking lot.
