

## **TOLEDO ROWING CLUB FROGTOWN REGATTA September 27, 2008**

St. Mary's Prep had a strong showing at the 23<sup>rd</sup> annual Toledo Frogtown Regatta. OLSM entered 14 boats in 8 heats and produced with two 1<sup>st</sup> place finishes, one 2<sup>nd</sup> place, and two 3<sup>rd</sup> places.

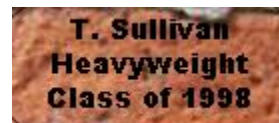

The Frogtown follows the headrace format on the Maumee River through downtown Toledo, OH. The 2.8 mile race required passage under three bridges and navigating numerous buoy markers. The water was excellent in the morning with fast times for the mid-size boats. By afternoon, the waves picked-up and the 1x heats were cancelled.

26+ teams from Indiana, Michigan, and Ohio competed. The course can be a bit tricky with some boats receiving penalties for buoy and bridge span violations. On the eventful side, a heavy eight tipped (not OLSM) after all starboard oars struck a concrete buoy. As they tried to fix the oars, over they went. For OLSM, a double struck a buoy and gone was the bow. River rescue recovered our men and boat.

On the next page is the heat sheet for the regatta. Complete details are available at [www.powertiming.com](http://www.powertiming.com).

**Brought to you by the OLSM Crew Booster Club.**

Your support is important to the success and continuation of the Crew program. Support in spirit and in contributions. Please consider donating to our engraved brick capital fundraiser.
